

Salon Hygiene Standards

Here's what we are doing to keep you safe

- Client risk assessment and temperature check
- Adapted our salon to comply with social distancing rules.
- Disinfecting all high touch areas between clients.
- Using disposable equipment where possible.
- Sterilising all reusable items
- Restricting client numbers
- Allowing extra time between clients for cleaning
- No longer serving beverages
- Staff are wearing required personal protective equipment (PPE).
- Daily deep clean of the salon
